

For your Valentine

If you would like to treat your Valentine to any of these special “inn-dulgences” we’ve created for the holiday of LOVE, let us know at least the day before arrival. If you order any of them, we will also decorate your room with a heart of rose petals on your bed, and will include a special personalized card (provide us a message for the card).

To order, call 928-635-8991, email reservations@sheridanhouseinn.com or text 928-414-9186. We’ll charge your card on file when you order, unless you provide a different one, and we’ll have everything in your room upon arrival.

We’ll also give you a bottle of Chocolate Shop Wine (red wine infused with dark chocolate, it’s not sweet) or Champagne for any multi-night reservation booked direct with us. Let us know what you prefer.
